**Equity Trust has relied on Bruchou, Fernández Madero & Lombardi to issue some 147 million (US\$34 million) Argentine pesos in securities in its role as trustee of a Standard Bank trust.**

Estudio Beccar Varela represented Standard Bank, the grantor, organiser, administrator, custodian and placement agent, in the issuance, which comprised trust debt securities worth US\$20.3 million and participation certificates with a value of US\$13.6 million. The securities were admitted for trading on the Buenos Aires stock exchange on 22 February.

The Standard Bank trust, SB Personales V, made a similar placement in September last year, in which both Bruchou and Beccar Varela also participated.
