Thursday, 30th May 2013

Credit card company Tarjeta Naranja has turned to Argentina's **Estudio Beccar Varela** to issue notes worth US\$38 million on the Buenos Aires Stock Exchange.

Banco de Galicia y Buenos Aires and Banco Santander Río acted as organisers and placement agents on the transaction that closed on 15 May.

Estudio Beccar Varela also gave counsel to Banco de Galicia y Buenos Aires, while Banco Santander Río drew upon **Pérez Alati, Grondona, Benites, Arntsen & Martínez de Hoz (h)**.

Tarjeta Naranja issued the class XXI notes under its simple notes global programme.
