WSG has awarded Dr. Ramón Moyano, Partner, Estudio Beccar Varela as the WSG Outstanding Member of the Year 2016. Dr. Moyano's commitment to championing the development of the Emerging Leaders Group within the WSG network through the support and leadership of the Generation Now Client Analysis has more than earned him this title.

◆ Ramón was instrumental with our Americas◆ survey initiative.◆ Robert Falvey, Global Ambassador for WSG stated. ◆ His level of engagement and enthusiasm to be a champion for young professionals allowed us to elevate this project to another level. We received valuable feedback for the Network and the global industry.◆

Dr. Moyano has been an active member of WSG. He served as the Chair for the Latin America Regional Council for the past year and previously participated as a member of the committee. A well-respected attorney and dynamic presenter, he has been a featured speaker for several WSG events, including the 2010 Latin America Regional Meeting and 2016 Meeting of the Americas. He has served as an industry expert for a panel discussion at the 2012 Latin America Regional Meeting.

At Estudio Beccar Varela, Dr. Moyano has been a partner of the firm since 2004 and member of its executive committee. His practice areas include mergers and acquisitions, private equity, project finance and agribusiness. Dr. Moyano has been recognized by Chambers and Partners Global and Chambers Latin America. Estudio Beccar Varela is a founding member of WSG (2002) exclusively for Argentina.

About Estudio Beccar Varela:

Founded in 1897, Estudio Beccar Varela is one of the leading full-service law firms in Argentina, placing utmost priority on client service. With a main office in the city of Buenos Aires and a branch in Buenos Aires Province, the firm has a widely acknowledged practice and advises clients both in Argentina and abroad on all the legal aspects of their organizations as well as in the execution of their transactions.

About World Services Group:

WSG is the globally recognized resource for professionals and their clients to receive the highest quality, value and service from legal, investment banking and accounting services.

Formed upon a unique approach to legal networks, WSG developed the idea that the premier independent law firm needed a more expansive and efficient global approach within the industry. Through innovative access and technology, WSG offers members and clients immediate access to prospects, information and leading experts with a known record of superior quality service.

WSG has more than 130 prominent member firms representing worldwide clients. Members operate in more than 145 jurisdictions and throughout the United States and Canada.

WSG's members are independent firms and are not affiliated in the joint practice of professional services. Each member exercises its own individual judgments on all client matters.
