

Beccar and Marval in latest Banco Supervielle issuance

Friday, 23rd November 2012

Argentina's **Estudio Beccar Varela** has helped Banco Supervielle issue securities worth a combined 130 million pesos (US\$27 million).

Deutsche Bank acted as financial trustee and turned to **Marval, O'Farrell & Mairal** on the transaction that closed on 4 November.

Banco Supervielle issued the securities through Financial Trust Supervielle Créditos 63 created under the bank's Supervielle Confiance 2 programme.

Beccar Varela and Marval previously met to **help** Banco Supervielle issue trust securities worth US\$25.3 million in October, while Beccar Varela also **helped** the bank set up two new financial trusts last year.
